**SUMMARY OF CLAIM OF GEM MINING 1, LLC**

**I. ITEMIZATION OF CLAIMED AMOUNT**

GEM Mining 1, LLC (“GEM Mining 1”) has filed a total claim of \$560,253.50 (the “GEM Mining 1 Claim”). The GEM Mining 1 Claim arises out of pass-through energy costs improperly charged by the Debtors to GEM Mining 1 prior to December 21, 2022 (the “Petition Date”).

Specifically, on February 5, 2021, GEM Mining and Core Scientific, Inc. entered into that certain Master Services Agreement (the “MSA”) wherein Core Scientific, Inc. agreed to provide hosting services for computer hardware and other tangible equipment (the “Miners”) at data centers owned or operated by Core Scientific, Inc. or its affiliates (the “Facilities”) as further provided in individual ordering documents (the “Orders”). Specifically Core Scientific, Inc. agreed to provide various services to GEM Mining 1, including but not limited to, colocation, hosting, rack space, security, monitoring, maintenance, utilities, equipment

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Core Scientific Mining LLC (6971); Core Scientific, Inc. (3837); Core Scientific Acquired Mining LLC (N/A); Core Scientific Operating Company (5526); Radar Relay, Inc. (0496); Core Scientific Specialty Mining (Oklahoma) LLC (4327); American Property Acquisition, LLC (0825); Starboard Capital LLC (6677); RADAR LLC (5106); American Property Acquisitions I, LLC (9717); and American Property Acquisitions, VII, LLC (3198). The Debtors’ corporate headquarters and service address is 210 Barton Springs Road, Suite 300, Austin, Texas 78704.

maintenance and repair, facility management, account management, network and data access, technical support, and heat and thermal management services (collectively, the “Services”). A true and correct copy of the MSA is attached hereto as Exhibit 1.

On June 8, 2021, GEM Mining 1 and Core Scientific, Inc. executed that certain Amended and Restated Order # 8 (the “GEM Mining 1 Order”), wherein Core Scientific agreed to host approximately 7,295 Miners for an initial three-year term. A true and correct copy of the GEM Mining 1 Order is attached hereto as Exhibit 2.

Pursuant to the MSA and GEM Mining 1 Order, Core Scientific, Inc. invoices GEM Mining 1 on a monthly basis. On certain invoices, Core Scientific, Inc. charged GEM Mining 1 for pass-through energy costs in contravention of the terms of the MSA. Prior to the Petition Date, these improperly charged costs totaled \$560,253.50. As provided in the GEM Mining 1 Order, Core Scientific, Inc. is obligated to provide GEM Mining 1 with hosting services at a fixed, not variable, rate based on GEM Mining 1’s power usage. Notwithstanding the language of the MSA and GEM Mining 1 Order, Core Scientific, Inc. charged GEM Mining 1 a variable rate dictated by the price of power charged to Core Scientific, Inc. Accordingly, GEM Mining 1 has a claim against Core Scientific Inc. resulting from Core Scientific, Inc.’s breach of the MSA and GEM Mining 1 Order.

In the *Notice of Deadlines for Filing Proof of Claim*, attached to the *Order (I) Establishing Deadlines to File Proofs of Claim and (II) Approving Form and Manner of Notice Thereof* (Doc. 652), the Debtors indicate that “[t]he name ‘Core Scientific, Inc.’ was used by Core Scientific Operating Company from June 13, 2018 until January 19, 2022, when Power & Digital Infrastructure Acquisition Corp. changed its name to the current Core Scientific, Inc.” Thus, while GEM Mining 1 only seeks one recovery of the GEM Mining 1 Claim, GEM Mining

1 has filed a proof of claim against both Core Scientific, Inc. and Core Scientific Operating Company out of an abundance of caution.

GEM Mining 1 hereby reserves its right to amend and supplement its proof of claim and summary as it deems necessary, as well as request court approval of the payment of additional amounts owed under the MSA and GEM Mining 1 Order as an administrative expense, or otherwise. GEM Mining 1 also reserves its right to amend and supplement its proof of claim and summary in conjunction with the Court's ruling on any motion filed by the Debtors or GEM Mining 1 concerning the MSA and GEM Mining 1 Order.

**WHEREAS**, Client desires access to locate its Client Equipment (as defined below) at the Company Facility (as defined below) and receive certain Services (as defined below); and

Each Order will be a separate agreement between Company and Client and will be deemed to incorporate the terms of this Agreement by reference. Company may require Customer to provide evidence of creditworthiness or credit support acceptable to Company in its sole discretion as a condition to accepting any Order. In the event of any conflict or inconsistency between the terms of this Agreement and the specific terms of an Order, the specific terms of the Order govern with respect to such Order.

### **2. SERVICES AND COMPANY FACILITY**

a. Company will provide Client the Services at a Company Facility set forth in an Order. This Agreement is not intended to and does not constitute a lease of any real or personal property or a grant of any other real property interest. Unless otherwise set forth in an Order, Client Equipment is owned by Client will not be construed as fixtures or fittings or otherwise attached to a Company Facility. Company retains title to all racking, connectors, fittings, parts and other materials used or provided by Company at a Company Facility to provide Client the Services. Client acknowledges and agrees that access to a Company Facility may be provided only during Company’s ordinary business hours and only upon Company’s prior written consent, which shall be subject in all events to the terms of this Agreement and may be withheld, conditioned or delayed in Company’s sole discretion.. Client will be liable for the actions of all persons accessing Company Facility on its behalf.

b. Company has the right to review and the sole right to approve any delivery, installation (including, without limitation, the location and position of Client Equipment at the Company Facility), replacement or removal work with respect to Client’s computer hardware or other tangible equipment (“**Client Equipment**”) at a Company Facility. Client shall be fully responsible for delivering all Client Equipment to Company at a specified Company Facility on or before the applicable scheduled delivery date, each as specified in an Order. Client will be responsible for all risk of loss or damage to Client Equipment at all times until such Client Equipment is accepted by Company at a designated Company Facility.

c. Client Equipment will adhere to Company’s specifications, procedures, rules, and regulations, including, without limitation, equipment labeling and tracking and security practices and policies for the Company Facility, all of which are incorporated herein by this reference. If Company determines in its sole

discretion that Client Equipment or related operating software does not conform to its policies or is not suitable for the provision of Services at the Company Facility, Company may suspend installation of Client Equipment and operating software or commencement of the Services until Company approves of the Client Equipment and operating software. Company has no responsibility or liability for any loss or damage to Client Equipment, including without limitation any damage to Client Equipment, failure to adhere to any manufacturer warranty, the voiding of any manufacturer warranty or loss of or inability to collect under any manufacturer warranty, unless directly caused by the gross negligence, bad faith or willful misconduct of Company.

d. Client is responsible for costs and expenses regarding the installation, repair, replacement and removal of Client Equipment and tariffs, taxes, shipping costs or other expenses associated with owning, shipping, importing or transporting Client Equipment. Upon any expiration or termination of an applicable Order, Company will provide Client with a written notice, which may be by email (the “**Retrieval Notice**”), of the date when Client Equipment is ready to be removed from Company Facility, which will be at Client’s sole expense. Such notice will document the condition of Client Equipment being prepared for shipment, any outstanding amounts owed by Client to Company and Client shall have five (5) calendar days from the date set forth in the Retrieval Notice to pay any outstanding amounts owed to Company and remove at Client’s sole cost and expense Client Equipment from Company Facility. Client will hold Company harmless from any damage caused to Client Equipment during such pickup and removal of Client Equipment. The failure or delay by Client to retrieve Client Equipment on or before the date set forth in the Retrieval Notice will constitute abandonment of Client Equipment under the laws of the jurisdiction where the Client Equipment is located and Company will be entitled to pursue at Client’s sole risk and expense all available remedies, including, without limitation, the actions set forth in Section 4(d), as applicable.

e. In order to continue to provide the Services, from time to time Company may request, and Client shall promptly provide, information regarding Client Equipment, Client’s related operating software, Client’s systems, and other information reasonably necessary in Company’s provision of the Services.

f. If software and services of a third party are requested by Client in conjunction with the Services (“**Third Party Services**”) and identified in an Order, Client acknowledges and agrees that such Third Party Services are the responsibility of the third party, subject to separate terms and conditions between such third party and Client and Company accepts no responsibility for the performance of such Third Party Services or any loss or damage arising from or associated with the provision of such Third Party Services.

### 3. PAYMENT TERMS AND TAXES

a. Company will invoice Client monthly in advance for all applicable fees for use of Company Facility and provision of Services as set forth in the applicable Order. Client will pay all invoiced amounts in US dollars within ten (10) calendar days of the date of the invoice. All payments must be (i) in US dollars into an ACH account number as set forth in the applicable Order; or (ii) to another account or form of payment directed by Company. Interest shall be charged on past due amounts at the lesser of (A) one and a half percent (1.5%) per month; or (B) the highest rate permitted by applicable law.

b. Client may, in good faith, dispute any invoice or any part thereof (a “**Disputed Amount**”) by submitting a written notice of such dispute along with reasonable supporting documentation within three (3) calendar days of the date of the initial invoice on which the Disputed Amount appears, failing which Client waives all rights to dispute such Disputed Amount and to file any claim. Company will review the Disputed Amount after its receipt of the relevant notice and if Company determines that Client was billed in error, a credit for the amount invoiced incorrectly will be made to the next invoice. If Company determines that the amount was invoiced correctly, Client will pay the amount by the due date of the next invoice. For clarity, Client shall promptly pay all undisputed amounts.

c. All amounts payable to Company under this Agreement exclude applicable taxes. Client is responsible for (i) taxes related to its activities and the ownership and operation of Client Equipment; and (ii) taxes imposed, levied or assessed thereon by any governmental or other authorities. If Client is required to make any deduction, withholding or payment for taxes in any jurisdiction on amounts payable to Company, such amounts will be increased such that after making such deduction, Company receives an amount equal to what it would have received if such deduction, withholding or payment had not been made.

#### 4. TERM, TERMINATION, MODIFICATION AND SUSPENSION

a. This Agreement commences on the Effective Date and continues until terminated as permitted by this Agreement. Each Order commences on the effective date set forth in the Order, has the initial term (“**Initial Term**”) set forth in the Order, and thereafter automatically renews for the additional periods set forth in the Order, or if no renewal period is set forth then one (1) year periods, (each, a “**Renewal term**” and collectively, the “**Term**”) unless Client notifies Company in writing not less than ninety (90) calendar days before such renewal of its desire for the order not to renew.

b. Either party may terminate an Order upon written notice to the other party and take such other action identified in Section 4 d. below if the other party materially breaches such Order or this Agreement and fails to cure such breach within thirty (30) calendar days (5 days in the case of failure to pay an Unpaid Balance (as defined below) or 2 days in the case of failure to pay an Unpaid Balance two or more times during any twelve month period) . If the breach (other than Client failure to pay amounts when due) cannot be cured within thirty (30) calendar days, the breaching party shall be given a reasonable period of time, but not to exceed sixty (60) calendar days after receipt of the notice, to cure the breach, provided that the breaching party acts promptly and diligently to cure such breach.

c. Either party may terminate this Agreement upon written notice to the other party if there have been no Orders in effect for twelve (12) consecutive months.

d. In addition to the remedy set forth in Section 4 b. above if Client fails to pay all invoiced amounts when due (an “**Unpaid Balance**”), or otherwise fails to perform any of its obligations under this Agreement after opportunity to cure as provided in Section 4 b above Company may, in its sole discretion, take certain actions including, without limitation, the following actions, at Client’s sole risk and expense:

- (i) suspend the provision of the Services;
- (ii) disconnect Client Equipment and store it;
- (iii) declare all amounts due under the applicable Order through the balance of the Term to be immediately due and payable;
- (iv) operate Client Equipment for cryptocurrency mining and other activities at Company’s sole discretion and direct all resulting proceeds to Company’s own account until Company has recovered all amounts due, including, without limitation, any reinstatement, disconnection or storage fees or costs;
- (v) terminate this Agreement and all Orders; and
- (vi) exercise all other rights under this Agreement, at law, in equity or otherwise.

Unless Company has terminated this Agreement, Company will reverse the suspension of the provision of the Company Facility and Services and disconnection of Client Equipment as soon as reasonably practical after it is satisfied Client has cured the acts or omissions giving rise to the suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee. Thereafter, Company may, at its sole discretion, require an advance payment equal to the amount of one billing invoice.

e. Notwithstanding anything in this Agreement to the contrary, Company may suspend its provision of

all or a portion of the Services and disconnect all of a portion of Client Equipment immediately if Company determines in its sole discretion that: Client's use of the Services or Client Equipment (i) may adversely impact or pose a security risk to Company's operation or maintenance of the Company Facility or Company's other clients; (ii) may subject Company to liability; or (iii) is not in compliance with this Agreement or Company's policies. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension or disconnection. Company will use commercially reasonable efforts to reverse such suspension or disconnection as soon as reasonably practical after it is satisfied that Client has cured the acts or omissions giving rise to such suspension and disconnection. In connection with the foregoing, Company may charge a reinstatement fee as set forth in the applicable Order. Further, Company may terminate this Agreement and all Orders if such suspension or disconnection continues for at least two (2) calendar days or occurs more than three (3) times in any twelve (12) month period. For clarity, during the period of suspension or disconnection, Client remains responsible for all fees and charges Client incurs during such period. Further, after the Effective Date, if Company determines in its sole and absolute discretion that as a result of any change in, or interpretation, introduction or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations, introduction or administration of the foregoing (a "**Change in Law**"), has resulted in an increase in Company's cost of compliance with such Change in Law then Company may, in its commercially reasonable discretion, take certain actions, including, without limitation, the following actions, at Client's sole risk and expense: (i) terminate this Agreement, any or all Orders; and/or (ii) modify the Services as may be necessary to account for such Change in Law. Company will use commercially reasonable efforts to notify Client of such Company actions and the effective date of such actions.

f. Further, and notwithstanding the Change in Law related costs above, after the Effective Date, if there are any increases, changes in, or introduction or administration of, any new taxes, levies, tariffs or governmental fees and charges with respect to the provision of Services, Company may, in its sole and absolute discretion, pass through all such amounts to Client ("**Increased Costs**") and Client shall pay all Increased Costs in accordance with the payment and invoicing procedures as set forth in this Agreement.

g. Company shall not be liable for any Client loss or damage whatsoever as a result of the exercise of its rights under this Agreement. Upon termination of this Agreement or an Order by Company, Company is entitled to recover from Client all loss or damages incurred by Company as a result of such termination, outstanding fees, costs, charges, assessments, reimbursements, and expenses (including, without limitation, costs of collection and reasonable attorneys' fees).

h. In addition to Section 4(f), the Company may terminate or suspend all or a portion of the Services if necessary to be in compliance with applicable law, rules, regulations, administrative or judicial orders or decree. Company will use commercially reasonable efforts to notify Client, which may be via email or telephone, of such suspension. Client agrees that the Company shall have no liability whatsoever to Client for any damage, loss, expense or cost as a result of such termination or suspension.

Client assumes responsibility for all such risks, and Company disclaims all types of liabilities or loss of funds that may arise as a result.

h. Client shall indemnify, defend and hold harmless Company and its affiliates, stockholders, directors, officers, employees, subcontractors and invitees from and against any losses, liabilities, damages, costs and expenses (including, without limitation, reasonable attorneys' fees) arising from or relating to (i) death, personal injury, bodily injury or property damage caused by Client or Client's customers or clients or Client Equipment; (ii) breach of Client's representations, warranties, or covenants in this Agreement or in an Order or Sections 2 or 6; (iii) fraud, bad faith, negligence or willful or reckless conduct of or by Client or Client's customers or clients; (iv) Client's or Client's customers' or clients' use of the Company Facility, Services, or Client Equipment; (v) any claim whatsoever by Client's customers or clients, or any third party related to the Services or Client Equipment; or (vi) any change in, or interpretation or administration of, any laws, regulations, statutes, treaties, rules, guidelines, ordinances, codes or the like, or any proposed or anticipated changes in, or interpretations or administration of the foregoing.

## 6. CONFIDENTIAL INFORMATION

a. Each party acknowledges that it and its employees or agents may, in the course of performing its responsibilities under this Agreement, be exposed to or acquire information which is proprietary to or confidential to the other party, including, without limitation, business plans, strategies, forecasts and projections and information about business structures, operations, systems, finances, assets, investments, investment strategies, software and other technology systems, and personnel, customers and suppliers (collectively, "**Confidential Information**"). Company's Confidential Information also includes the design, address and location of the Company Facilities (which is deemed to be not publicly known), the Services provided, equipment used at the Company Facilities, the configuration of cables, networks and services at the Company Facilities and the terms of this Agreement. Neither party may use or copy any Confidential Information except to the limited extent necessary to perform its obligations under this Agreement and will not disclose any Confidential Information to any person or entity other than to its employees who have a need to know the Confidential Information or as otherwise expressly permitted by this Agreement. Each party shall use the same measures that it uses to protect its own most confidential and proprietary information to protect the Confidential Information from use or disclosure in violation of this Agreement, but in no event less than commercially reasonable measures.

b. The restrictions on use of Confidential Information do not apply to information if it (i) is known to the receiving party prior to receipt from the disclosing party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing party; (ii) becomes known (independently of disclosure by the disclosing party) to the receiving party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing party; (iii) becomes publicly known or otherwise ceases to be confidential, except through a breach of this Agreement by the receiving party; or (iv) is independently developed by the receiving party. For the avoidance of doubt, the mere placement of materials or equipment containing information at a Company Facility does not constitute disclosure of such information to Company.

c. Upon termination or expiration of this Agreement, or at any other time at the request of the other party, each party shall return to the other party, or destroy and delete, as applicable, all Confidential Information and any copies thereof in its possession or control.

d. Neither party may use the other party's trademarks, service marks, trade names, copyrights, other intellectual property rights or other designations in any promotion, publication or press release without the prior written consent of the other party in each case, which consent may be given in an Order.

## 7. INSURANCE

a. Client agrees to maintain the following insurance, at its expense, during the Term, with insurers having a minimum AM Best rating of A- VII or S&P rating of A: (i) Commercial General Liability or Public Liability Insurance with a limit of US \$2,000,000 per occurrence, US \$4,000,000 in the aggregate (or the local currency equivalent), provided these limits may be achieved through a combination of primary and excess policies and such insurance will include coverage for bodily injury and property damage.

b. Client will furnish Company with certificates of insurance upon request that evidence the minimum levels of insurance set forth herein, list Company as an additional insured or interested party on the Commercial General Liability or Public Liability Insurance and designate that Client's insurance is primary and non-contributory. Client will provide at least thirty (30) days' prior written notice to Company of any non-renewal or cancellation of the policies referenced above.

## 8. MISCELLANEOUS

a. Notice. Except where expressly provided in this Agreement or an Order, all notices, consents, or approvals required by this Agreement will only be in writing and sent by overnight courier, certified or registered mail, overnight delivery requiring a signature upon receipt, or delivery by hand to the parties at the respective addresses set forth on the first page of this Agreement. Notice is effective when received.

b. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement, and supersedes and replaces all prior or contemporaneous discussions, negotiations, proposals, understandings and agreements, written or oral, as well as any industry custom. Each party acknowledges that, in entering into this Agreement, it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty other than as expressly set out in this Agreement. This Agreement may be executed in two (2) or more counterparts (and the signature pages may be delivered with ink or electronic signature or by e-mail), each will be deemed an original, but all together will constitute one and the same instrument. Except where otherwise expressly provided in this Agreement, this Agreement may be amended only by the written agreement of both parties.

c. Survival. Any provision of this Agreement, which, by its nature, would survive termination or expiration of this Agreement will survive any such termination or expiration, including, without limitation,

those provisions concerning confidentiality, indemnification and limitation of liability.

d. Subcontracting and Assignment. Company may permit any affiliate, independent contractor or other third party to perform any of Company's obligations hereunder provided that Company remains primarily liable for the performance of its obligations. Company may assign, delegate, or transfer this Agreement or any of its rights and obligations hereunder without notice to or prior written consent of Client. Client may not assign, delegate or transfer this Agreement or any of its rights and obligations hereunder without the prior written consent of Company. Any assignment or transfer in violation of this Agreement is void. This Agreement will be binding upon and inure to the benefit of all permitted successors and assigns. Nothing in this Agreement is intended to or will confer upon any third party any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement

e. Force Majeure. Except for Client's obligation to pay amounts owed under this Agreement, neither party will be responsible or in any way liable to the other party, and neither party will have any termination or other rights, arising out of or relating to a Force Majeure Event. A "**Force Majeure Event**" is a failure by the other party to perform any of its obligations under this Agreement if such failure is caused by events or circumstances beyond its reasonable control, including, without limitation, acts of God, war, labor strike, terrorist act, fire, flood, earthquake, landslide, hurricane, typhoon, tsunami, volcanic eruption, inclement weather, health epidemic or any law, order, regulation or other action of any governing authority or agency.

f. Governing Law and Arbitration. This Agreement and all claims arising out of or related to this Agreement are governed by and construed in accordance with the laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Delaware. Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including, without limitation, the determination of the scope or applicability of this Agreement to arbitrate, shall be determined exclusively by arbitration in King County, Washington before three (3) arbitrators. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules & Procedures. Any award, order or judgment pursuant to arbitration ("**Award**") is final and may be entered and enforced in any court of competent jurisdiction, and each party shall submit to any court of competent jurisdiction for purposes of the enforcement of any Award. The arbitrator may, in the Award, allocate all or part of the costs of the arbitration, including, without limitation, the fees of the arbitrator and the reasonable attorneys' fees of the prevailing party.

g. General. The rights and remedies provided for herein are cumulative and not exclusive of any rights or remedies that a party would otherwise have. The parties are independent contractors, and this Agreement does not establish any relationship of partnership, joint venture, employment, franchise or agency between them. Neither party may bind the other or incur obligations on the other's behalf without the other's prior written consent. There are no third-party beneficiaries to this Agreement. No waiver of any breach of any provision of this Agreement will constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver will be effective unless made in writing and signed by an authorized representative of the waiving party.

Subsequent invoices will contain any additional charges incurred by Client and adjustments resulting from any differences between the Fees for Services invoiced in the preceding month and the Fee for Services based on Provider’s determination of power utilized by Client during that month, as well as any adjustments to Provider’s estimate of power to be utilized by Client in the upcoming month. Any and all taxes with respect to the purchase of the equipment will be the responsibility of Client.

**Warranty:** Provider does not make and hereby disclaims all warranties with respect to the Units. Provider shall initiate warranty claims with Unit manufacturer. Provider cannot and does not guarantee that warranty claims will be accepted by manufacturer.

Client agrees and confirms that:

- (i) It has clean title to the Client Equipment and has not entered into any agreement that would interfere with Provider's exercise of its remedies under section 4.d of the Agreement;
- (ii) Neither Client nor Client's customers will use the Services for any illegal activity; and
